

PEAA

MEMBERSHIP SECRETARY'S REPORT

2013/14

2013/14 has seen the Association move forward and we welcome all new members, especially those attending tonight.

During the year new members have joined us and, unfortunately, some have left us. We have lost, for various reasons including moving away, a total of 13 members. However, we have attracted 11 new members.

We currently have only 1 full size plot and one half plot available. There are, however, two plots that may become available shortly.

Consideration is being given to a leaflet drop on the Summersfield estate as all plots there are now sold if not yet built. As these are built further deliveries will be made in an attempt to get our site fully let. In this way, only communal areas will require attention.

If you have any friends/neighbours who express an interest, please get them to contact me through the Web Site.

Many thanks

Val Stalham

PEAA Membership Secretary
